PLANO, Texas--(BUSINESS WIRE)--Tek Leaders, a fast-growing, global, innovative information technology services firm, announced today it was recently recognized as one of the “Best Entrepreneurial Companies in America” by *Entrepreneur* magazine’s [Entrepreneur360™ List](#), a premier study delivering the most comprehensive analysis of private companies in America. Tek Leaders was named 31 out of 360 small businesses ranked by *Entrepreneur* magazine in this program.

Based on the study forged by *Entrepreneur*, Tek Leaders is recognized as a well-rounded company that has mastered a balance of impact, innovation, growth leadership and value.

Honorees were identified based on the results from a comprehensive study of independently owned companies, using a proprietary algorithm and other advanced analytics. The algorithm was built on a balanced scorecard designed to measure the five metrics reflecting major pillars of entrepreneurship—innovation, growth, leadership, impact and business valuation.

“This is an extremely high honor which is very prestigious and significant to our Company and leadership team. The metrics analyzed in this program are across key areas where Tek Leaders has excelled and delivered. The data relating to Tek Leaders’ recent growth and performance demonstrates our commitment across the five key areas evaluated in this program. We are very proud to be part of this study and attribute our top placement in this ranking to our leadership team and all our employees. Their dedication and efforts continue to positively impact the success of our Company each and every day,” explained Devender Reddy Aerrabolu, Tek Leaders’ chief executive officer.

“Our annual evaluation of vetted data offers a 360-degree analysis of top privately held companies across a multitude of industries,” explained Jason Feifer, editor in chief of *Entrepreneur* Magazine. “They are deemed successful not only by revenue numbers, but by how well-rounded they are. The companies that make the list have pushed boundaries with their innovative ideas, fostered strong company cultures, impacted their communities for the better, and increased their brand awareness.”
