PLANO, Texas ... August 14, 2018 ... [Tek Leaders](http://TekLeaders.com), a fast-growing, global information technology consulting services organization, announced today it is the recipient of four Stevie® Awards in The 15th Annual International Business Awards® (IBAs).

The 2018 IBAs received entries from 74 nations and territories. More than 3,900 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories.

Nicknamed the Stevies for the Greek word for "crowned," the awards will be presented to winners at a gala awards banquet at the InterContinental London Park Lane Hotel in London, England on October 20.

“We thank the International Business Awards for recognizing the organization as well as our leadership team. These four awards are a testament to the hard work put forth by our more than 200 employees, whose tireless efforts and commitment to Tek Leaders made this possible for our Company. We appreciate the judges taking note of our recent growth and position in a fiercely competitive IT service landscape,” noted Devender Reddy Aerrabolu, Tek Leaders chief executive officer.

“This year’s Stevie Award winners in the IBAs are the most distinguished group of winners we’ve had yet,” said Michael Gallagher, president and founder of the Stevie Awards. “We raised the minimum average score from the judges required to qualify as a Stevie winner, so 2018 winners should be especially proud of their achievements. We look forward to presenting their Stevies to them in London on October 20, and to telling their stories over the coming year through Stevie Awards media.”
